Your participating haumana will all need to be listed on the sign in sheet below. If you would please fill out one sheet for each category entered for each day so that we can better organize and keep track of the names and dates for each dancer.

Each participant if they purchase the Participant Weekend Pass will have their hand stamped and their ticket punched in the dressing room on the day they perform. On days that they do not perform they will be asked to get their hand stamped and Pass punched at the dancer table downstairs at the main entrance table. Anyone not purchasing the Participant Weekend Pass will just purchase wristbands in advance or at the door.

We put in a great effort in setting up a dressing room with separate booths for each halau. I will ask you if you are going to use a halau booth and request that if you ask for a booth, you use the booth. It is not required that you prepare and dress in the area and you can (if you choose to) use your own rooms to dress. In the event that you use your own room, we do request that you have a representative of your halau in communication with Tamara (my Performance Director) at ALL times via cell phone/text. Please don't ask moms and dads to come with you to help in the stage preparation area. Too many people in the area make it difficult to control the noise, respect for halau in preparation, and coordinators ability to keep control their responsibilities.

Mahalo Kumu for your cooperation
